About SIPMM

Introduction to Public Procurement

Background and Publications

Singapore Institute of Purchasing and Materials Management (SIPMM), is the nation's professional body for the LPS sector - the sector which includes professionals in Logistics, Procurement and Supply Chain. Since its founding in 1972, SIPMM has trained over 100,000 professionals through its comprehensive suite of Qualifications and Programs across the region which includes Multinational Firms, ICT Conglomerates, Governments, and the Armed Forces.

SIPMM is recognized for developing the Official Singapore Purchasing Managers' Index (PMI) in 1998, and the Official China PMI in 2002. The Official Singapore PMI is the key barometer of the Singapore Manufacturing Economy, while the Official China PMI is widely regarded as a reliable indicator of the China Manufacturing Economy.

SIPMM graduates regularly publish professional articles relating to logistics and supply chain management. The publications cover contemporary issues that are relevant and crucial to the LPS profession. They include critical areas of global importance, such as disaster logistics, cold chain logistics, warehouse hazards and risks, supply chain sustainability, procurement fraud and adoption of digital technologies.
